Michael Smith

I'm a hardworking farmer who has been outliving and raising livestock for over 20 years. I specialize in growing organic produce, as well as raising organic cattle and pigs. Despite the challenges of unpredictable weather and fluctuating market prices, I use great pride in providing high-quality foods to my community. In my spare time, I spend time with my family and am a novice carpenter.

A NOTE ON FOOD SAFETY

Providing safe and healthy food is our top priority. By listing your products on our platform, you are agreeing to comply with all local, state, and federal food laws, regulations, and guidelines. It is your responsibility to ensure that your products are safe for consumption and properly labeled. Furthermore, you are responsible for obtaining any necessary licenses, permits, or certifications required by your local authorities. It is your responsibility to provide the necessary documentation to the company before creating listings. Failure to comply with these regulations may result in the removal of your listings from our platform.

For unlicensed food producers please ensure your products are compliant with [cottage food laws](#).
